

Welcome to the Parent Association segment of the Scoile Mhuire website.

We would like to introduce ourselves to you and let you know what the Parent Association is about.

The Parent Association is the structure through which parents /guardians in a school can work together for the best possible education for their children. The Parents Association works with the principal, staff and BOM to build effective partnership of home and school.

The Parents Association can suggest and/or organize extracurricular activities. We can also invite guest speakers to address parents on issues which are topical or relevant.
